SUMMARY	Team-oriented and hard-working individual seeking to apply my college degree and recent work experiences to continue to expand my skill set in a professional environment. Responsible, quick learner, and able to complete tasks in a timely and efficient manner.
----------------	---

SKILLS	C#, Python, HTML, JavaScript, SQL, CSS, GitHub
---------------	--

EDUCATION	HANOVER COLLEGE, Hanover, IN Bachelor of Science, Computer Science May 2024 ST. EDWARD HIGH SCHOOL, Lakewood, OH High School Diploma May 2020
------------------	--

EXPERIENCE <i>Jun – Aug 2023</i>	REALEFLOW, Brunswick, OH <i>Software Developer Intern</i>
--	--

- Collaborated closely with cross-functional teams to translate design mock-ups into fully functional web interfaces, ensuring alignment with the company branding and user-centered design principles.
- Leveraged React, JavaScript, HTML, and CSS to implement responsive and visually appealing UI components, resulting in a more intuitive and user-friendly application interface.
- Troubleshooting and debugging front-end issues, employing problem-solving skills to identify root causes and implement effective solutions in a timely manner.
- Gained more exposure to back-end systems and APIs, demonstrating adaptability in a fast-paced development environment.
- Navigated ambiguity and rapidly changing requirements inherent in a startup environment, displaying resilience and flexibility in delivering results while adapting to evolving project properties.

<i>Jun – Aug 2022</i>	AGILE BLUE, Independence, OH <i>Cyber Security Intern</i>
-----------------------	--

- Developed and maintained front-end code for the company's website, ensuring that it was visually appealing and easy to navigate for users.
- Worked on the back-end of the company's software, implementing security protocols and debugging any issues that arose.
- Utilized SQL to design and optimize database structures, improving the efficiency of the company's data storage and retrieval processes.
- Designed and implemented user interfaces for the company's software, making it more intuitive and user-friendly for customers.

<i>Oct 2018 - Current</i>	TRIPLE P GOALIE ACADEMY, Warrensville Heights, OH <i>Coaching Assistant</i>
---------------------------	--

- Providing lacrosse goalie skill training for youth boys and girls, ages 8-18.
